We broke up, Darren and I. He felt like we just weren't a good match. I disagree! We were meant for each other!

I got a D on my math quiz. :(

Last day of school OMG! None of the teachers really made us do work, besides the English teacher, who gave us our summer reading project. We have to read all of *Moby Dick*. Ugh.

### **3J. Dawn of the First Day**

First Day of Summer! I thought I'd make a list of what I want to do:

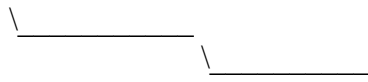

- Eat loads of ice cream
- Slumber party
- Shopping with Beatrice
- Other fun stuff!
